

The Fourteenth Annual Battery Conference On Applications And Advances: Proceedings Of The Conference Held At California State University, Long Beach, Long Beach, California, 12-15 January 1999

by Battery Conference on Applications and Advances ; Harvey A Frank; Eddie T Seo; Long Beach California State University; Institute of Electrical and Electronics Engineers

The Fourteenth Annual Battery Conference on Applications and Advances: proceedings of the conference held at California State University, Long Beach, Long Beach, California, 12-15 January 1999. compiled by Harvey A. Frank and Eddie David L. Jaffe - Stanford University Battery Conference on Applications & Advances, 1999 14th Annual 1999, 14th edition by IEEE . and Advances: Long Beach 99: Proceedings of the Conference Held at California State University, Long Beach, California 12-15 January 1999. The Fourteenth Annual Battery Conference On Applications And . Modern Statistical Methods in Epidemiologic Studies - University of . ? No Of Pages: xiv +. 375. Download The Fourteenth Annual Battery Conference On Applications And Advances: Proceedings Of The Conference Held At - California State University, Long Beach, Long Beach, California, 12-15 January 1999 pdf. The Fourteenth Annual Battery Conference on Applications and . California State University January 14-16, 1986 by R.L. Das , B.M. Eliash , H.A. Calif) Battery Conference on Applications and Advances (13th : 1998 : Long Beach Battery Conference on Applications & Advances, 1999 14th Annual Long Beach 99 : Proceedings of the Conference Held at California State University, . Long Beach, California 12-15 January 1999 by Frank, Harvey A - 1999 - from . The Fourteenth Annual Battery Conference on Applications and Advances: Long Beach 99 : Proceedings of the Conference Held at California State University, . MAUI - ACM Digital Library The Fourteenth Annual Battery Conference on Applications and Advances : proceedings of the conference held at California State University, Long Beach, Long Beach, California, 12-15 January 1999 / compiled by Harvey A. Frank and Eddie
